

Jasmín Polanco

I was born in Santo Domingo, Dominican Republic. My parents met in Santo Domingo. My grandparents on my father's side met in Punta Cana and my grandparents on my mother's side met in La Romana. Nowadays, my father is a driver and my mother is a saleswomen.

Right now, I'm living with my father in Barcelona. I've been here since 2006. I live with my father, my stepmother and 3 siblings. I like Barcelona and its people. In Secondary School I met my best friends and I really like the teachers and my friends there.

Barcelona is a city with many tourists. It is one of the most visited cities because of its art, buildings, culture and gastronomy. However, it is a very noisy city.
